

The listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

1. (Currently Amended) A card comprising:
a display device comprising a first semiconductor element comprising a first polycrystalline semiconductor film;
a first thin film integrated circuit comprising a second semiconductor element comprising a second polycrystalline semiconductor film;
a first substrate; and
a second substrate,
wherein ~~driving of~~ the display device is ~~controlled by~~ electrically connected to the first thin film integrated circuit,
~~wherein a semiconductor element used for the thin film integrated circuit and the display device is formed by using a polycrystalline semiconductor film;~~
wherein the thin film integrated circuit and the display device are sealed with a resin between the first substrate and the second substrate of the card, and
wherein the first substrate and the second substrate comprise a plastic material.
2. (Original) A card according to claim 1, wherein the card has a thickness from 0.05 mm through 1.5 mm.
3. (Currently Amended) A card according to claim 1, wherein the display device is a passive matrix type display device.
4. (Original) A card according to claim 1, wherein the display device is an active matrix type.

5. (Currently Amended) A card according to claim 1, further comprising:
comprising:

~~a display device;~~

~~a plurality of thin film integrated circuits;~~

~~a first substrate; and~~

~~a second substrate;~~

~~wherein driving of the display device is controlled by the plurality of thin film integrated circuits,~~

a second thin film integrated circuit,

wherein the ~~plurality of~~ first and second thin film integrated circuits are laminated[[:]]

~~wherein the plurality of thin film integrated circuits and the display device are sealed with a resin between the first substrate and the second substrate of the card;~~
and

~~wherein the first substrate and the second substrate comprise a plastic material.~~

6.-8. (Canceled)

9. (Currently Amended) A card according to [[Claims]] claim 1, wherein the display device is a liquid crystal display device.

10. (Canceled)

11. (Currently Amended) A card according to [[Claim]] claim 1, wherein the display device is a light emitting device.

12. (Canceled)

13. (Currently Amended) A card according to [[Claims]] claim 1, wherein the card is an ID card.

14. (Canceled)

15. (Currently Amended) A card according to [[Claims]] claim 1, wherein the card is a semi-hard card.

16. (Canceled)

17. (Currently Amended) A card according to [[Claims]] claim 1, wherein the card is an IC card.

18.-19. (Canceled)
